JAVA DEVELOPMENT ENVIRONMENT

FIG.32

FIG.33

A graphical user interface window is shown, enclosed in a rectangular border. Inside the window, there is a large rectangular area containing a list of three items, each preceded by an unchecked checkbox:

- ☐ ABC APPLICATION
- ☐ XXX APPLICATION
- ☐ CCC APPLICATION

Below this list, there is a smaller rectangular field containing the text "ABC APPLICATION". At the bottom right of the window, there are two rectangular buttons: "RUN" and "CANCEL".
